At Central, we feel very strongly about the safety and security of your children. That's why we've chosen KidCheck as our Preschool & Kids' check-in solution to bring you the best check-in experience and to allow us to partner with you to keep your children safe.

Checking in each evening:

- Use your 10-digit phone number.
- Select the child(ren) you are checking in and print the nametags and guardian receipt.
- Your child(ren) will wear their nametag and you will keep the guardian receipt.

Checking out each evening:

- You will show the leader in the room your guardian tag.
- We accept the actual tag or the electronic version (see information below about the KidCheck App).

KidCheck app:

We encourage each parent/guardian to download the KidCheck App on their phone. This allows the person that checks the child in to receive an electronic guardian receipt. This receipt can then be used for pick-up or sent electronically to another person picking up your child.

A few things to remember as you manage your KidCheck account:

- Make sure you list your children only under the 'main' account holder. They will be tied together with the other parent/guardians through the guardian list.
- Add photos of your children and other guardians to make it easy for Central to identify them.
- Make sure you have all guardians listed under EACH person that checks in your child.
