## A MESSAGE FROM

*Jim Skaggs*

### Galatians 6:9

*9 And let us not grow weary of doing good, for in due season we will reap, if we do not give up.*

Have you even felt like just giving up? I have. If not totally giving up...just taking a really long break to re-group! Here's the deal – we all have rough days, weeks, or months and we feel discouraged. We feel like giving up because we are “give out”.

What I love most about God's word is that we often see a description of a struggle or sin in the text and almost immediately we see a word of encouragement to help us defeat the sin or struggle. To be sure, not all struggle is sin. Jesus struggled, but never sinned (“Let this cup pass from me”).

I'm not going to tell you that we need to “*Not sweat the small stuff and most of our issues would be small stuff.*” What I am going to tell you is...the struggle is real. But Jesus is not only real, He is on His throne! We have a promise from God's word: If we do not grow weary in doing the right thing, If we realize that we don't even have to hold on to Jesus because Jesus is holding on to us – Then in time, we will reap a harvest that will be for our good and His glory! Key is – Keep leaning into Jesus!

Remember...he holds you!

*Jim*
