Face to Face Questions
Week of April 20, 2014
Easter Sunday

Ice Breaker:
What is your favorite Easter candy?

John 20:6-7

The Seven Statement that Jesus said from the Cross

1. Read Luke 23:34. What does this statement teach us? What does it mean to you personally?
2. Read Luke 23:39-43. What does this statement from the thief and from Jesus teach us? What does it mean to you personally?
3. Read John 19:26-27. What does Jesus' statement to Mary teach us? What are reasons today that make people feel like they do not need a Savior?
4. Read Matt. 27:46-47 and Mark 15:34-36. In this statement Jesus uses the name God instead of Father? What helps you to have a relationship with God as both your heavenly Father and the King of Kings?
5. Read John 19:28. What does this statement teach us? Do you know of times that you missed an opportunity to share the Gospel or to encourage a struggling brother because you wanted to avoid the pain that might come with it?
6. Read John 19:30. What was finished on the cross? How do you struggle accepting Jesus' complete forgiveness on the cross?
7. Read Luke 23:46. Who actually killed Jesus? Praise Jesus for gladly giving His life as the perfect sacrifice to remove the curse of our sin. Accept Jesus' forgiveness in any area of your life that you are allowing a past sin to still control you.
